

Remarks

The utility of the claimed subject matter was discussed in the interview with Examiner Davis, Examiner Siew and Examiner Ungar. It was agreed that there was a substantial, specific and credible utility for the claimed subject matter. Claims 56-67 were indicated to be allowable in their present form. The undersigned agreed that an Examiner's amendment could be made to claims 65-66 to place them in condition for allowance.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
